MEDPOR® Surgical Implants. Solutions for Neurosurgeons.

I do not perform cranioplasties  
or skull base surgery.

## MEDPOR® Pterional Implant

**Developed with Dr. Murali Guthikonda  
of the Detroit Medical Center,  
Wayne State University**

### *Surgical Technique Video\**

This 8-minute video demonstrates the use of the MEDPOR® Pterional Implant to fill the hollow resulting after a pterional craniotomy during neurosurgical procedures.
